Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

The deletion of "passageway" in claim 41, line 1, for example, was discussed. The examiner reserved judgement on the patentability of the claim with such an amendment. It was pointed out to the examiner that claim 81 depends from claim 80 which was indicated as containing allowable subject matter. Therefore, it was argued, claim 81 should be free of any rejection based upon prior art. Also, the delivery sheath feature in claim 94, for example, was discussed.
